---

Phil

I am waiting to receive a data report from the contractor at the end of the week. It will contain the sample data collected by the contractor and the previous data collected by the PRP. I will forward it to you as soon as I get it. I hope to then schedule the remaining sampling in March/April (funding permitting) and complete the RI by the end of the calendar year.

Thanks

**Subject:** Falcon Refinery Status Update

Brian;

Hope all is going well. Please send me an update on the Falcon Refinery Site and the monitor well installation/sampling information.

Sincerely;

Phillip Winsor, PE
